SECTION 4 Grant of Authority

(A) This grant of authority is limited to the provision by Company to place its Facilities within the Rights-of-Way for its electric utility services. Accordingly, the City hereby grants to the Company, its successors and assigns the non-exclusive right, authority, and franchise to lay, erect, construct, maintain, repair and operate its Facilities in, under, upon, over and across the present and future Rights-of-Way, as they now exist or may be hereafter constructed, opened, laid out or extended within the present limits of the City, including but not limited to conduits, cables, poles, wires, supports and such other structures or appurtenances as may be reasonably necessary for the construction, maintenance and operation of an electric generation, transmission and distribution system, including information, telecommunication, and video transmission used solely for the provision of electric service (collectively the “Facilities”), provided that all portions of the same shall conform to accepted industry standards, including but not limited to the National Electrical Safety Code. Nothing in this Ordinance shall require Grantee to remove, de-energize, or cease using any poles, wires, or other things or Facilities identified hereinabove that were in place under previous ordinances or permits prior to the Effective Date of this Ordinance, regardless of whether such poles, wires or other Facilities are located outside “Rights-of-Ways” as defined herein. Nor shall anything in this Ordinance prohibit Company from performing upgrades, replacements, maintenance or servicing of such poles, wires, or other Facilities after the Effective Date of this Ordinance. Rather, all such preexisting poles, wires, or other Facilities shall be authorized under this Ordinance. Because this Franchise is intended to grant Company the non-exclusive, but unrestricted right to place its Facilities within the Rights-of-Way, the City expressly acknowledges and agrees that Company shall not be required to pull or pay for permits to perform any work maintenance activities on or related to its Facilities within the Rights-of-Way.

(B) Annexation or Contraction. City and Company agree that the Franchise Area is subject to expansion or reduction by annexation and contraction of municipal boundaries. If City approves any Franchise Area expansion or reduction by annexation or contraction, City will provide written notice to Company’s Annexation Coordinator, at the address provided below, within sixty (60) days of such approval and this Franchise shall automatically extend to include any such annexed areas.

Additionally, within sixty (60) days of any such annexation or contraction, City shall provide to Company an updated list containing the new or removed street names, known street name aliases, street addresses, and zip codes associated with each street name. All notices of annexation or contraction and address listings shall be addressed to the Annexation Coordinator as follows with the address subject to change:

Duke Energy
Attn: Annexation Coordinator
P.O. Box 14042 (mail code BAY72)
St. Petersburg, FL 33733

Or by email to: AnnexationRequests@duke-energy.com

Company must revise its payments due to any expansion or reduction by annexation within a reasonable time after Company has received such notice and updated list from City, but no later than sixty (60) days after receipt of notice and the list. City understands and affirmatively acknowledges that the Company will exclusively rely upon the City to provide timely and accurate information to the Company regarding any such annexations or contractions, and that failure to do so will impair, inhibit, and/or preclude the Company's ability to revise any payments due to the City that are impacted by such annexations or contractions. Further, City acknowledges that if such information is not timely furnished to Company as required herein, any related obligation to collect payments shall be suspended during the period of delay.

(C) Non-Exclusive Use. The Company's right to use and occupy Rights-of-Way for the purposes herein set forth shall be non-exclusive as to entities not engaged in the provision of electric energy and service, and the City reserves the right to grant to others the right to utilize the Rights-of-Way, to any person at any time during the period of this Franchise so long as such grant does not create an unsafe condition or unreasonably conflict with the rights granted to Company herein.

SECTION 5 Notice of Acceptance and Term of Franchise

This ordinance shall become effective upon being legally passed and adopted ("Effective Date") by the City Commission; and it is further agreed that Grantee shall accept this Franchise as of the date of the passage and adoption by the City Commission and shall signify its acceptance in writing within thirty (30) days after the City Commission's approval of this ordinance by filing its written acceptance with the City Clerk. If Grantee fails to accept this franchise within thirty (30) days of its date of passage, then this Ordinance shall be null and void, and of no force and effect of any kind. Commencing on the Effective Date, the term of the Franchise granted herein shall be for a period thirty (30) years with an option to renew for an additional thirty (30) years with the prior written approval of the parties.

SECTION 6 Payment to City

(A) Effective the first day of the second month beginning after the Effective Date of this ordinance, City shall be entitled to receive from Company a monthly franchise amount that will equal six percent (6%) of Company's Base Revenues (the "Franchise Fee") for the preceding month, which amount shall be the total compensation due City for any and all rights, authority and privileges granted by this Franchise, including compensation for any required permits, parking fees, or any other fee or cost related to the rights granted hereunder or to do business within the Franchise Area. Any franchise amounts that will be paid to the City will be collected by the Company from Company's customers in the Franchise Area and passed through to the City in the manner described herein. The City expressly acknowledges that no additional or other amounts shall be due or remitted by Company for the exercise of its rights granted hereunder.

Payment shall be made to City for each month no later than the twentieth (20th) day of the following month. The monthly payment shall be made by wire transfer. Any monthly payment or any portion thereof made twenty (20) days after the due date without good cause shall be subject to interest calculated for each month of the underpayment period using the average monthly interest rate based on thirty (30) day commercial paper.

(B) Only disputed amounts shall be allowed to be withheld by Company, and any such amounts shall not accrue any interest during the pendency of any such dispute.

(C) The City acknowledges that all classifications and categories of customers of Company shall be subject to the payment of the Franchise Fee due hereunder.

SECTION 7 Favored Nations

(A) In the event Grantee shall hereafter accept an electric utility franchise ordinance from any municipality providing for the payment of a franchise fee in excess of that provided for in Section 6 above, Grantee shall notify Grantor, and Grantor reserves the right to amend this Franchise to increase the franchise fee payable under this ordinance to no more than the greater franchise fee that Grantee has agreed to pay to such other municipality. Grantee's obligation to pay such greater franchise fee to Grantor shall apply prospectively beginning with the next monthly franchisee fee payment following Grantor's timely notice of its exercise of its amendment right to which Grantee may collect such increased fee from its customers. Grantee's failure to notify Grantor of such additional payments does not limit Grantor's right to amend to require such additional franchise fees.

(B) It is the intent and agreement of Grantor and Grantee that Grantee shall not be required to pay Grantor a franchise fee under Section 6 of a percentage greater than that paid to Grantor by any other Electric Utility or Electric Energy Provider utilizing Grantor's Rights-of-Way on such Electric Utility's or Electric Energy Provider's revenues attributable to services that are the same or substantially the same as those performed by Grantee. It is further the intent and agreement of Grantor and Grantee that Grantee should not be placed at a competitive disadvantage by the payments required by Section 6 of this Ordinance in the event other Electric Utilities or Electric Energy Providers provide services in competition with Grantee without utilizing Grantor's Rights-of-Way.

(C) If Grantor imposes a lesser fee, or no fee, or is unable to impose a fee on another Electric Utility or Electric Energy Provider providing or seeking to provide services in competition with Grantee to customers within Grantor's municipal boundaries, whether utilizing Grantor's Rights-of-Way or not utilizing Grantor's Rights-of-Way, Grantee's fee under Section 6 for such services shall be automatically reduced to the lesser fee charged the other Electric Utility or Electric Energy Provider (or to zero, if no fee is charged such other Electric Utility or Electric Energy Provider). In all events, City shall not grant more favorable treatment to other Electric Energy Providers than is granted to Company under this ordinance, it being the intent of the parties that no future provider of electric service, be it generation, transmission or distribution service, to customers within the corporate limits of City shall be given a competitive advantage over Company. However, nothing in this Section 7 shall apply to Grantor's own provision of electric utility services to the customers of its existing municipal utility.

SECTION 8 Grantor Rights

The right is hereby reserved to the City to adopt such regulations as it shall find necessary in the exercise of its police power, provided that such regulations, by ordinance or otherwise, shall be reasonable, and shall not be in conflict with the laws of the State of Florida or the lawful regulations of any state agency possessing the power to regulate the activities of the Company, or conflict with or otherwise interfere with the benefits conferred on the Company hereunder. In the event of a conflict between this Franchise Agreement and any other ordinance or regulation adopted by the City relating to Company's rights to perform work in and/or occupancy of the Rights-of-Way as permitted hereunder, the rights under this Franchise Agreement shall govern and control.

SECTION 9 Work In Rights-Of-Way

The Company is hereby granted the right, authority and privilege to perform all necessary work and excavations in said Rights-of-Way of the City related to its Facilities and necessary or incidental to carrying out such rights and obligations as permitted hereunder. The Company shall have the right to fasten and to stretch and lay along the lines of said poles, conduits, pipes and cables necessary for transmitting and conveying the electric current to be used in the Company's business, together with all the right and privileges necessary or convenient for the full use including the right to trim, cut and keep clear all trees and limbs near or along Company's Facilities that may in any way endanger the proper operation of same. Moreover, the Company shall have the right to construct, erect, operate and maintain within the City an electric system consisting of its Facilities for carrying on the Company's business; provided that, in accomplishing these purposes, the streets of said City shall not be unnecessarily obstructed for an unreasonable amount of time and work in connection therewith shall be done and carried on in conformity with such reasonable rules, standards, regulations and local ordinances with reference thereto as may be adopted by the City for the protection of the public and which are not in conflict with or otherwise interfere with the benefits conferred on the Company hereunder.

SECTION 10 Indemnification

(A) The acceptance of this Franchise by Company shall be deemed an agreement on the part of Company to indemnify City and hold it harmless against any and all direct damages, claims, expenses, reasonable attorneys' fees (including appellate fees) and costs that City may incur to the extent arising out of or resulting from the negligence, default, or misconduct of Company, its contractors and agents in the construction, repair, operation, or maintenance of its electric utility Facilities hereunder. In no event shall Company be liable to City for any consequential, incidental, punitive, exemplary, multiple, or indirect damages, lost profits or other business interruption damages, by statute, in tort (including negligence or strict liability), in contract, or under any indemnity provision or otherwise.

(B) Company shall maintain throughout the term of this Franchise sufficient financial resources to provide self-insurance insuring City and Company with regard to all damages set forth in Section 8(A) in the minimum amounts of:

- (i) \$1,000,000 for bodily injury or death to a person;

(A) Company Rules and Regulations. The following records and reports shall be available to City upon City's reasonable request: copies of rules, regulations, terms and conditions adopted by Company that relate to Company's use of City's Rights-of-Way.

(C) Reports. Company will submit monthly a statement of its estimated Base Revenues for the period on which such payment is based. The acceptance of any statement or payment shall not prevent the City from asserting that the amount paid is not the amount due, or from recovering any deficit by any lawful proceeding, including interest to be applied at the rate set forth in Section 6(A).

(E) Audit. City may require, upon prior written notice and during Company's normal business hours, an audit of Company's books related to this Agreement not more than once every five (5) years and then only for the preceding three years. Company will reimburse City's audit costs if the audit identifies errors in Company's franchise Base Revenues of five percent (5%) or more for the period audited. If an underpayment of franchise fees has occurred due to the Company's error, interest will be calculated for each month of the underpayment period using the average monthly interest rate based on thirty (30) day commercial paper.

(F) Customer Report. In addition to City's obligations in Section 4(B), within ninety (90) days of the Effective Date of this Agreement, City shall provide to Company a report in a format acceptable to Company setting forth a listing of all addresses within the corporate limits of the City and annually thereafter a report identifying any changes to the address listing provided the previous year.

SECTION 12 Retail Wheeling

In the event the appropriate governmental authorities authorize Retail Wheeling, then either party, if Adversely Affected thereby, may reopen this ordinance upon thirty (30) days written notice to the other for the sole purpose of addressing the Franchise Fee payments between Company and City. If the parties are unable to agree within ninety (90) days of reopening, either party may declare an impasse and may file an action in the Circuit Court in Pinellas County, Florida for declaratory relief as to the proper Franchise Fee in light of Retail Wheeling.

SECTION 13 Severability

Should any section or provision of this Franchise ordinance or any portion thereof, the deletion of which would not adversely affect the receipt of any material benefits or, substantially increase the burden of any party hereunder, be declared by a court of competent jurisdiction to be invalid, such decision shall not affect the validity of the remainder, as a whole or any part thereof, other than the part declared to be invalid. In the event of any such partial invalidity, City and Company shall meet and negotiate in good faith to obtain a replacement provision that is in compliance with the judicial authority's decision.

SECTION 14 Governing Law and Venue

(A) This Franchise ordinance shall be construed and interpreted according to the laws of the State of Florida.

(B) In the event that any legal proceeding is brought to enforce the terms of this Franchise, except as mentioned in Section 12, the same shall be brought in Lake County, Florida, or, if a federal claim, in the U.S. District Court in and for the Middle District of Florida, Orlando Division.
